6 weeks to 5 years

Here you will find a nurturing environment for children ages 6 weeks to 5 years. Our goal is to work with you, as parents, to develop happy, intelligent, well-adjusted children. Our educational curriculum features thematic learning activities in all of the critical growth areas:

Language Arts:

- Reading and writing sight vocabulary
- Retelling stories using puppets, felt boards
- Sequencing of events and stories

Mathematics:

- Basic counting
- Building structures with blocks
- Creating patterns with beads & blocks
- Pouring & measuring with sand & water

Motor Skills:

- Running, jumping, climbing, riding tricycles
 - Sports, dance & exercise programs
 - Drawing, painting, Play-doh, Legos, lacing cards, buttons, & zippers, to develop finemotor skills

Social Skills:

- Taking turns in games & activities
- Basic communication to resolve conflict
 - Expressing emotion though art, music, dramatic play

Science/Discovery:

- Caring for animals & live plants
- Comparing items using basic science tools, like magnifying glasses
 - Categorizing items based on their characteristics: color, texture, size, smell, etc.

Where Your Child Comes First!
